Mahoney broke into his father's house

worth \$50. When Mr. Mahoney went home later

a mute but watchful witness of young Mahoney's raid, shouted out: "Say, old man, the house has been

robbed."
The old gentleman swears that is the truth. He looked around and found that the parrot was right.
"Who did it?" he asked.
"Johnnie done it." replied the sagacious but ungrammatical bird.
So Mr. Mahoney went right out and had his son arrested. Mahoney says he will call the parrot as a witness when the case comes to trial.
